How to get there

Public transport does not run to SpunOut and we will not be running any sort of bus or shuttle service. The only way to get to the camp is by car. We suggest that you try to car pool with friends. You will need to organise this yourself.

We will organise car pooling for any interstate or overseas visitors only. If this is you, please let us know as soon as possible that you will be coming so that we have a chance to organise this. Please contact info@play-learn-burn.com.

The most direct route by car from Perth to SpunOut is:

Follow Great Eastern Highway east from Midland, through the township of Mundaring towards the township of Chidlow. Turn left onto Old Northam Road, then take your first left onto Thomas Street and second right onto Rosedale Road. Follow Rosedale Road until you get to Leschenaultia Place (on the right). Once you're on Leschenaultia Place you should be able to see the camp. The last few turns of this drive will be sign posted to make getting there easier.

If you get lost, please call 0431 074 229 and we'll help you find the camp.

Accommodation

There are 3 choices for accommodation at SpunOut - dorm, tent or camper. The SpunOut tickert price is the same for all.

There are 4 dormitories, with bunk beds, on site which sleep 16 to 22 people each. There is a family dorm, couples/mixed dorm, male dorm and female dorm. No bedding is provided so you must bring your own. You will need to bring your own mattress cover/sheet, sleeping bag or blanket, and pillow.

Alternatively, you can pitch a tent and camp for the weekend. The grounds around the SpunOut site are grassy and shady with plenty of room for camping.

If you have a camper van or some sort of vehicle you prefer to sleep in, then you may do that also.

Please note that the dorm rooms can be quite noisy as they are attached to the main hall. If you plan to sleep in a dorm, we suggest you bring ear plugs. Camping or sleeping in a camper van are the quieter options.

Safety Guidelines

The following guidelines have been set out so as to ensure a safe and hassle free weekend for both the organisers and patrons of SpunOut. By signing the Registration Form, you indicate that you have read, understood and will abide by these guidelines throughout your stay at the site.

1. You must use common sense at all times.
2. You must follow any reasonable directions given to you by SpunOut staff members.
3. You must use only the fire fuel provided by the SpunOut organisers. If you wish to use your own fuel you must seek the permission of a SpunOut staff member first.
4. If you wish to spin with fire, you must wear non-synthetic, natural fibre clothing.
5. If you are using lit fire equipment you must ensure all safety measures have been taken including wearing natural fibre clothing, having a fire blanket, fire extinguisher, wet towel and water bucket ready in case of an accident, as well as ensuring you have someone acting as a "spotter".
6. No person will be allowed to participate in fire activities if they appear to be under the influence of alcohol and are acting in a manner which is dangerous to themselves or others.
7. All areas are designated smoke free zone (this is a rule set by the camp owners).
8. Drugs are banned from the camp site and anyone found to be in possession of or under the influence of drugs will be ejected from the event without refund of their ticket.
9. All camp participants are expected to take reasonable measures for their own safety and the safety of others.
10. If you spot anything that may endanger your safety or others, we ask that you tell a SpunOut staff member as soon as possible.
11. All under 15s must be supervised by an adult or will not be able to attend the event. If you are 16 or 17, please contact us to discuss your registration.
12. If you are instructed at any time to do anything by the camp caretakers you must do so immediately.
13. Water is a precious resource at Camp Leschenaultia with a limited supply in the rainwater tanks. Please conserve water by using showers and taps to a minimum.
14. Campers are not permitted to bring pets onto the property, or to disturb the natural environment (e.g. damage trees).
15. Music is under the control of our djs. We ask that you do not play your own music at high volume.

Children

Children are welcome to attend SpunOut, however, we wish to make it clear that they must be supervised at ALL times by their parents/guardians and are the responsibility of their parents/guardians. This is because there will be electrical cables, fire fuels, fire toys and other hazards at the camp that could endanger young children. We will endeavour to ensure your child's safety as best we can, however, ultimately they are your responsibility.

Tips

We recommend you bring the following with you to make your stay more enjoyable: ear plugs, mosquito repellent, warm clothes (for the evening), bed sheets, sleeping bag or blankets, pillow, non flammable clothes (if you wish to participate in fire spinning or other fire activities), a natural fibre beanie/cap for warmth and to protect hair when fire spinning, bathers, towel, hat, sunscreen, wet weather gear (in case of rain), big smile and a positive attitude.

See ya there! ☺
